INDUSTRIAL PROP PACK V1.0
DOCUMENTATION

This pack contains an assortment of cardboard box alphas, wooden crates, debris, bins, trash, flags, tiles, barrels and decals to spread around your scenes. Fully prefabbed and ready to use in Unity!

PLEASE NOTE: Unity require prefabs to be 0, 0, 0 but due to axis conversion from 3DS Max the prefabs will look the wrong orientation when you import them. You can rotate ANY prefab -90 on the X Axis to get the correct orientation! 😊 Any issues, let me know!
